

Maine Guaranteed Access Reinsurance Association

In accordance with the provisions of Section 3952(5-A) of the Enabling Act, the Board of Directors of MGARA, in consultation with and based on analysis by the Maine Department of Health and Human Services and Maine Health Data Organization, developed, and may amend from time to time, a list of certain high priced items or services that contribute to MGARA's costs and offer an opportunity of saving. The HPISs for the year 2024 are:

APC	Group Title
5115	Level 5 Musculoskeletal Procedures
5375	Level 5 Urology and Related Services
5571	Level 1 Imaging with Contrast
5623	Level 3 Radiation Therapy
5671	Level 1 Pathology
5771	Cardiac Rehabilitation
8005	CT and CTA without Contrast Composite

The reinsurance provided under the Reinsurance Program for a High-Priced Item or Service shall not exceed two hundred percent (200%) of the allowed charge determined for such item or service under the original Medicare fee-for-service program for the applicable year in which the claim arose.

Section 3958(1)(B) of the Enabling Act requires (i) each member insurer to report for each plan year the name of each High-Priced Item or Service for which such Member Insurer's payment exceeded the HPIS Limit and the name of the Provider that received payment; and (ii) MGARA to annually compile and publish a list of all names so reported. Below is that list of names.

Provider
Cary Medical Center
Central Maine Medical Center
Franklin Memorial Hospital
